○ Registration information for specific BCOE student populations (pdf)

FRESHMAN LEARNING COMMUNITY
If you are a member of the Engineering First Year Learning Community, you will receive a separate email explaining the registration process.

ENGINEERING UNDECLARED STUDENTS
Please seek assistance in understanding major change requirements and/or making course selections from the Academic Advisor of the Department or Major you intend to pursue. Undeclared students and all students working toward major change are still subject to BCOE policies.

PRE-ENGINEERING & ENGINEERING PREP STUDENTS
Please seek assistance for all registration and course planning questions from the Academic Advisor of the desired major. Please contact your assigned Academic Advisor about academic and life challenges.

STUDENTS PURSUING CHANGE OF MAJOR OUTSIDE OF ENGINEERING
Send e-mail to BCOE Advising. In the body of the message, include your full name, student id number, and the major you wish to pursue. A BCOE Academic Advisor will reply to your e-mail with details about the change of major process.

TRANSFER STUDENTS AND NEW TO BCOE MAJOR CHANGE STUDENTS
You may need enrollment assistance, so plan to contact your advisor prior to your enrollment date requesting this assistance. If you know you meet the prerequisite(s) for a course to enroll, you can submit the appropriate enrollment assistance form depending on which college houses the course. Do not wait until the first day of registration. You can submit an enrollment assistance form as early as the first day the Schedule of Classes goes live.
