2023 WINTER QUARTER REGISTRATION INFORMATION

The Schedule of Classes for the 2023 Winter Quarter opens tomorrow, Thursday, October 20: www.classes.ucr.edu.

View your Registration Time Ticket beginning October 25 in R'Web - Student Profile, by clicking Registration Notices (top right corner). The time ticket is NOT a meeting with me, your assigned Academic Advisor. It is the earliest time you can register for classes through R'Web - Registration.

2023 Winter Quarter registration starts October 31.
See this link for registration instructions:
https://registrar.ucr.edu/registering

Find registration holds by clicking the Holds section in R'Web. Please follow-up with the appropriate office(s) to clear holds before your registration ticket time. See your campus R'Mail for details about BCOE initiated holds.
BCOE holds might include:

- Academic Advising Milestones
- Academic Probation
- Change of Major
- Faculty Advising
- First Year Experience
- Mandatory Dean's Orientation Make-up
- Meet with your Advisor

BCOE limits students in Good Academic Standing to 17 units from October 31 – November 22.
Students on Academic Probation have a maximum of 13 units (or 3 courses).
The unit maximum for BCOE students in Good Academic Standing increases to 18 on December 7.

If you have questions related to registration, use this link to contact your assigned BCOE Academic Advisor.
Contact my Advisor | Engineering Student Affairs (ucr.edu)

See the link below for registration tips for all students and additional registration related information for the specific populations listed.

- BCOE Engineering First Year Learning Community Students
- Engineering Undeclared, Engineering Prep, and Pre-Engineering students
- BCOE students interested in changing their major

- New and continuing BCOE transfer students
- Recent change of majors into BCOE
