“
"The B.S. + M.S. program allowed me to gain a more fine-grained understanding of my field, dive into new research areas and develop my technical skills. I would recommend this program to anyone wishing to 'level up' in a timely and cost-effective manner."
”

Deadline to apply:
Two terms prior to graduation

Steps to Apply

1. Submit an interest form online: <https://bcoe.wufoo.com/forms/bsms-interest-form/>.
2. Students with BS+MS major must submit interest form to confirm eligibility.

FALL	WINTER	SPRING
<ul style="list-style-type: none"> • Opens Sept 1 (Cannot apply if you graduated spring/summer quarter) • Closes Friday week 1 	<ul style="list-style-type: none"> • Opens December 1 (Cannot apply if you graduated fall quarter) • Closes Friday week 1 	<ul style="list-style-type: none"> • Opens March 1 (Cannot apply if you graduated winter quarter) • Closes Friday week 1

3. BCOE evaluates interest forms three times per year. After evaluation, expect an eligibility email notification the Friday of Week 4.
- 4a. Ineligible candidates receive a message indicating the reason and remediation options, if applicable.
- 4b. Eligible candidates receive a message with next steps which include:
 - Meeting with the Graduate Student Affairs Officer to start the graduate application
 - Meeting with the Graduate Faculty Advisor to gain insight about graduate level expectations

QUESTIONS?

Contact bcoeadvising@engr.ucr.edu and use the subject line "BS + MS."
Include your full name, student ID number and question in the message body.
