

COURSE PLANNING

Every student should have a general idea of what you will register for every quarter until you complete your degree requirements.

You can refer to your suggested Course Plan and Degree Audit in R'Web to help you with this process.

<https://student.engr.ucr.edu/majors>

If you need assistance confirming your Winter 2022 and future schedules, we should meet as soon as possible.

BCOE Breadth Courses

Please use this webpage as a reference to search for approved breadth courses that will be offered Spring 2022:

<https://student.engr.ucr.edu/policies/breadth-requirements>

Students should also review their Degree Audit in R'Web to confirm the remaining breadth requirements.

SPRING-ONLY COURSES

For more information on when courses are offered, please visit this webpage:

<https://www.cee.ucr.edu/course-offerings>

The following department courses are only offered in the Spring quarter:

- CEE 132
- CHE 102
- CHE 116
- CHE 122
- CHE 140
- CHE 161
- CHE 175B
- CHE/ENVE 130
- CHE/ENVE 160A
- ENVE 121
- ENVE 134
- ENVE 146
- ENVE 175B
- MSE 160

You should not plan to take any of these courses during the fall or winter quarters.

Please continue to use your course plans and degree audits as a guide for course planning. If you need help with course planning or simply want to confirm your plan, please let me know.

Please review your course plan to confirm the technical elective requirements for your concentration.

R' COURSES

R'Courses are courses designed by undergraduates and taken by other undergraduates at UCR. The courses are 1 unit, Satisfactory/No-Credit (S/NC) offerings and students may take up to 8 units. Each course has a faculty instructor of record who provides mentoring and support behind the scenes.
