CSBA, DTSE, ENCS Spring 2022 Week 4 Email

4/18/22

Hello Students:

This quarter is moving really fast. We are confident that you are preparing for your upcoming tests and projects. Remember you can contact via email or appointment if you have issues that need attention. Remember to email below.

Missing Technical Electives in Degree Audit

Every student should be reviewing their degree audit periodically. It is important to know where you stand in your degree completion. Once you review your degree audit and notice that there is a discrepancy, please reach out to your academic advisor as soon as possible.

There are certain Computer Science Technical Electives that may not appear in your degree audit such as **CS 105, CS 110, CS 142, CS 144, CS 145, CS 147, CS 167, CS 173 and CS 175**. If you have taken these courses and it's not showing up under the Computer Technical Electives block, then please reach out to your academic advisor so that we can update your degree audit.

Summer 2022 Graduation Applications

If you will be completing your degree requirements at the end of Summer 2022 term, please submit a graduation application beginning April 4th. You can find the graduation application in R'Web under graduation.

- **Opens** Apr 4, 2022 and **Closes** Jul 1, 2022

June 2022 Commencement

Information regarding June 2022 Commencement can be found here: <https://commencement.ucr.edu/>

Spring 2022 Graduation

A registration HOLD has been placed on student accounts who are scheduled to graduate in spring 2022 and have not submitted a graduation application.

Submit an online petition for a late graduation application to clear the hold.

Summer Session 2022

The Schedule of Classes is available here: www.classes.ucr.edu. Registration has started, you can view your assigned time ticket in Student Profile – found in R'Web.

If you are thinking of taking courses outside UCR, please check in with your Advisor; or be sure to use this webpage: www.assist.org
