Did you know that the Career Center is hosting a Career Fair next week?!?!

I highly recommend all students attend this event. Dress the part, make sure you have a resume, and go meet the recruiters from each company (or as many as you can). This really helps you get a sense of what they are looking for, how you might adapt your resume and get a sense of what job(s) attracts you.

HOW TO SEND AN EMAIL

-
<http://student.engr.ucr.edu/emailadvisor.html>

All BCOE students are asked to follow this requested protocol when sending an email:

Be sure to send an email from your UCR Student Email account to: BCOEAdvising@engr.ucr.edu

List in the subject line: [ELEN and your Full Name](#).

Please be sure to include your Student ID# (86*****) in the body of your email.

This process allows our office to monitor, help and respond as quickly as possible to your requests and needs; by following the protocol we are able to filter your email correctly.

Please be mindful of how you communicate. This is a simple task, but one that is important.
