Subject: CEN - Week #5 (2022 Fall Quarter)

Week #5! I feel like the quarter is going by quick, how about you?

Please know that I will be out of the office starting tomorrow (Friday, October 21) and will be attending a National Conference for NACADA. This is Academic Advising National Association that most of us belong to.

I get to help out with coordinating the volunteers, and attend some great sessions. I will be back in the office late next week and will reply to any emails at that time (I will try to check email during the conference).

I know that there is lots to view, read through and understand; you can also find all this great information at our website here: <https://student.engr.ucr.edu/weekly-advising-message>.

You can view quarterly deadlines at this link:

<https://registrar.ucr.edu/calendar>

The last day to Change the Grading Basis for a course (\$4 Fee): November 18 (Week #8)

Please use the online forms website: myforms.ucr.edu, to complete the required online form(s) within the listed deadline(s).

Always make sure you list all parts of a class when submitting a form.

2023 WINTER QUARTER REGISTRATION

The Schedule of Classes for the 2023 Winter Quarter is open: www.classes.ucr.edu.

View your Registration Time Ticket beginning October 25 in R'Web - Student Profile, by clicking Registration Notices (top right corner).

The time ticket is NOT a meeting with me, your assigned Academic Advisor. It is the earliest time you can register for classes through R'Web - Registration.

2023 Winter Quarter Registration starts October 31.

See this link for registration instructions: <https://registrar.ucr.edu/registering>

REGISTRATION TIPS:

1. Enroll in courses using R'Web during your assigned Ticket Time.
2. Use the online Schedule of Classes (www.classes.ucr.edu) to find open courses and the course record number(s) (CRN).
3. Check your degree audit in R'Web, the suggested course plan (<https://student.engr.ucr.edu/majors>), and the approved Breadth worksheet (<http://student.engr.ucr.edu/policies/requirements/breadth.html>) to determine what courses to enroll in next quarter. You can also go to this link for visual guidance for more in-depth course planning guidance (<https://student.engr.ucr.edu/video-advising-resources>).
4. Confirm that you have satisfied all prerequisites for the courses in which you plan to enroll. Prerequisites are listed in the UCR General Catalog (<http://catalog.ucr.edu/>), and in your degree audit. You can click on a course and the catalog description will appear in a pop-up.
5. After you have enrolled, check your schedule in R'Web, Canvas, and your UCR Student email regularly for any changes to the courses you have enrolled in.
6. If you need assistance enrolling in a course use the appropriate resources:
CNAS courses (i.e., Math, Physics, Chemistry, Biology, Statistics) please use the online form here: <https://ucrbgsac.wufoo.com/forms/enrollment-request/>.
BCOE courses (i.e., Computer Science, Mechanical Engineering) please use the online form here: <http://student.engr.ucr.edu/enrollmentassistance.html>.
CHASS courses (i.e., History, Political Science) please use the online form here: <https://chassems.wufoo.com/forms/chass-enrollment-request-form/>
7. ENGL 001C alternatives offered in the 2023 Winter Quarter will be listed online at this link: <http://uwp.ucr.edu/wac.html>. Be sure to enroll into the correct corresponding ENGL 007 section (it is recommended you enroll into ENGL 007 first).
8. To Waitlist a course, you will only be allowed to waitlist for the discussion/lab section (the secondary part of the course). A seat in the lecture is assumed if there is a seat in the discussion/lab. If a seat becomes available, you will be sent an email to add both sections. You will only have 24 hours to add the available seat, so keep watching your email. If you miss the 24 hour window to add the course, that seat is offered to the next student in line and you will be dropped from the waitlist. If you drop yourself from the waitlist, either accidentally or on purpose, you will lose your place on the waitlist. For more details, you can click this link: <https://registrar.ucr.edu/registering/waitlist>.
