Importance: High

9/30/22

Hello Students:

We hope you are settling into your Fall schedule as we approach week 2. Please reach out to your academic advisor if you have any concerns.

Important Reminders

Pre-pandemic policies that are in place for Fall 2022:

- **S/NC (Satisfactory/No Credit) grading basis cannot be used for any course that is used to fulfill major or breadth requirements, except for 8 units of courses in the humanities and social sciences for students in good academic standing.**
- **A student may drop a course no later than the end of the second full week of instruction. Drop deadline is October 7, 2022.**
- **A course dropped after the drop deadline will appear in your transcript as a W, signifying withdrawal. Deadline to withdraw from a course is November 7, 2022.**

Deadlines

Friday, October 7th, **is the last day to add/drop courses in R'Web (no fee) without a "W" appearing on your transcript.** https://registrar.ucr.edu/calendar#last_day_to

Friday, October 7th, **is the last day for undergraduates to get dean approval to enroll in 10 or fewer units (and reduced tuition).** http://myforms.ucr.edu/enrollmentadjustment.aspx

Last day to add/drop courses in R'Web (no fee) without a "W" appearing on your transcript. See When To Register for R'Web availability. For Winter 2022 and Spring 2022, the timing for the assignment of a 'W' has changed. Please see note below for the new withdrawal deadline. Last day to add a course without dean approval (no fee). Enrollment Adjustment Forms are due at NOON.	Jan. 21, 2022	April 15, 2022	See Summer Sessions	Oct. 14, 2022	Jan. 27, 2023

Every student should be reviewing their degree audit periodically. You can review your degree progress via R'Web with the "Degree Audit" icon. It is important to know where you stand in your degree completion. Once you review your degree audit and notice that there is a discrepancy, please reach out to your academic advisor as soon as possible.

There are certain Computer Science Technical Electives that may not appear in your degree audit such as **CS 105, CS 110, CS 142, CS 144, CS 145, CS 147, CS 167, CS 173 and CS 175**. If you have taken these courses and it's not showing up under the Computer Technical Electives block, then please reach out to your academic advisor so that we can update your degree audit.

Engineering Course Outside of Computer Science

- Students cannot take EE 020B to satisfy this requirement
- Approved courses for the Engineering Course Outside of Computer Science are: EE030A&30LA, or EE 005, or MATH 046, or ME 009, or ME 010
- Email your advisor at BCOE Advising <bcoeadvising@engr.ucr.edu> if the course is not on your degree audit.

CSBA Majors

Please be aware that if you are on the 2019 catalog and after, you should ONLY be taking CS Technical Electives. This means that all 4 Technical Electives must be in Computer Science.
