

## Highlights

- You can add and drop classes through R'Web registration until tomorrow, Friday, October 7 at approximately 11:59 pm
- Use MyForms to late add, drop, or S/NC beginning Monday, October 10 at approximately 12:01 am (maybe sooner)
- There are deadlines for enrollment adjustments (adding, dropping, changing the grading basis)
- Continuing students, the deadlines are back to "normal"
- I am available by appointment for the next few weeks. Go [here](#) to see my calendar and choose an appointment time.
- You can see me today (10/6) until noon and tomorrow (10/7) from 9-noon at this Zoom link: <https://ucr.zoom.us/j/99864910300>

## Details

- You can add and drop classes on R'Web until Friday, October 7.
- CONFIRM ENROLLMENT IN A MINIMUM OF 12 UNITS. Contact me immediately if you are not.
- Waitlists are not guarantees and close on Friday (10/7)
- If the wait list did not offer a seat by now, enrollment is unlikely.
- If you add a class late or wait listed without attending, you missed two weeks of class.
- Find out the best way to play catch up by contacting the instructor, TA, and fellow students
- It might not be possible to catch up
- It might take two business days for information to show in Canvas
- Missing one week in a ten week quarter is detrimental to your GPA
  
- Use MyForms to late add, drop, or S/NC beginning Monday, October 11.
  - Once R'Web closes, use an electronic form to make changes
  - See this [page](#) for instructions
  - See this [page](#) for deadline dates
  - Send email, come to drop-ins, or schedule an appointment if you your head just spun
  
- The Academic Resource Center is the best stop for academic support.
  - I understand that you never needed "help"
  - I understand that you do not like to ask for "help"
  - I understand that you feel some kinda way about getting 'help'
  - Get over it. 40 hours of week of studying is real.
  - If you can show me a time management plan with 40 hours of studying
  - And you are following the plan with no deviations
  - And you earn straight A's without a curve on all your midterms, then forget 'help'. Otherwise...
  - [Supplemental Instruction](#)
  - [Tutoring](#)
  - [Workshops](#)
  - [Peer Mentoring](#)
  - [Reading and Writing](#)

You are welcome.

- I am your first stop for all kinds of HELP including emotional, financial, or I don't know what kind of help I need but I know I need help.
  - This is how we work together: [Advisor Advisee Partnership Agreement final.pdf \(ucr.edu\)](#)
  - [Email](#) is the best and fastest way to reach me
  - Find my remote drop-in availability [here](#)

- Zoom appointment? See my calendar [here](#)

Hope you had a good one.

Type to you next week!

*Tara Brown.*
