**Sent:** Thursday, October 20, 2022 10:17 AM  
**Subject:** \*\*winter 2023 registration preparation message SIT 10.20.2022  
**Importance:** High

Below is the first step in registration preparation for winter 2023. See the steps and reply to this message if you have questions. Include your full name and student id number in your reply.

1. Read this email
2. Start planning the courses you think you will take in winter 2023 and beyond
3. View your registration notices and holds in R'Web Student Profile
4. Put your registration ticket time on your calendar and clear holds
5. Watch for an additional email from me checking your change of major status and/or giving additional registration instructions
6. If you have questions
  - A. Email me: [Contact my Advisor | Engineering Student Affairs \(ucr.edu\)](#)
  - B. Schedule a meeting with me: [MCEN 1st & 2nd year + SIT advisor meeting schedule](#)

## **2023 WINTER QUARTER REGISTRATION INFORMATION**

The Schedule of Classes for the 2023 Winter Quarter opens Thursday, October 20:  
[www.classes.ucr.edu](http://www.classes.ucr.edu).

View your Registration Time Ticket beginning October 25 in R'Web Student Profile by clicking Registration Notices. The time ticket is NOT a meeting with a BCOE Academic Advisor. It is the earliest time you can register for classes through R'Web Registration.

2023 Winter Quarter registration starts October 31.

See this link for registration instructions:  
<https://registrar.ucr.edu/registering>

Find registration holds by clicking the Holds section in R'Web Student Profile to the right of Registration Notices. Please follow-up with the appropriate office(s) to clear holds before your registration ticket time. See your campus R'Mail for details about BCOE initiated holds.

BCOE holds might include:

- Academic Advising Milestones
- Academic Probation
- Change of Major
- Faculty Advising
- First Year Experience

- Mandatory Dean's Orientation Make-up
- Meet with your Advisor

The University limits students in good standing to 17 units from Oct 31 – Nov 22

**Students on Academic Probation have a maximum of 13 units (or 3 courses).**

The unit maximum for BCOE students in Good Academic Standing increases to 18 on Dec 7.

If you have questions related to registration, use this link to contact a BCOE academic advisor.

[Contact my Advisor | Engineering Student Affairs \(ucr.edu\)](#)

Include your full name and student id number in the body of the message.

By Monday, Oct 24, see the link below for registration tips for all students and additional registration related information for the specific populations listed. [\\*Weekly Advising Message | Engineering Student Affairs \(ucr.edu\)](#)

- BCOE Engineering First Year Learning Community Students
- Engineering Undeclared, Engineering Prep, and Pre-Engineering students
- BCOE students interested in changing their major
- New and continuing BCOE transfer students
- Recent change of majors into BCOE
