Please pay attention to your scheduled Final Exams. Don't miss any, and it may seem funny to say this; but it happens every quarter and every year. Set more than one alarm!

Do your best!

I will be out of the office next week attending a conference, but I will check email periodically.

HOW TO SEND AN EMAIL

-
<http://student.engr.ucr.edu/emailadvisor.html>

All BCOE students are asked to follow this requested protocol when sending an email:

Be sure to send an email from your UCR Student Email account to: BCOEAdvising@engr.ucr.edu

List in the subject line: [CEN and your Full Name](#).

Please be sure to include your Student ID# (86*****) in the body of your email.

This process allows our office to monitor, help and respond as quickly as possible to your requests and needs; by following the protocol we are able to filter your email correctly.

Please be mindful of how you communicate. This is a simple task, but one that is important.
